“ *I almost still cannot believe that Uncle Kellman has passed! He has been nothing but kind to my family and I. I don't think I would have survived my last two years of medical school in NY without him! He would call me in the morning and say that he would bring me food! (It may have arrived after midnight but that's ok). I think he was also the first to find out that Christ and I got engaged! Thank you so much for caring for me! I'll see you on the streets of gold!*

*Aunty Shirley, my thoughts and prayers are with you!*

*With Love,  
Abdelle Ferdinand Cheres*

“ While I had heard of Kellman Hilaire all of my life as his wife and my mother were very close friends, I first met him three years ago when he and his wife visited Trinidad.

He was such a gentlemanly man! Quick witted, interested, generous and kind. He was every bit the gem I had always heard he was. May the peace of God that passeth understanding bring comfort to his wife and relatives at this time of mourning. Meredith Montrichard
