

Dr. Kelsha Omair Edwards

June 27, 1980 - March 29, 2025

Dr. Kelsha O. Edwards was a daughter, sister, a loving wife, devoted mother, and brilliant mind whose energy and warmth touched everyone she met. She is lovingly remembered by her mother, Valrey Peterkin, father, Norman Anderson, devoted husband, Wayne Edwards, and her two beloved sons, Malik Lewin and Camron Edwards, who were the light of her life. She also leaves behind her cherished brothers — Jossel Small, Kamar Chenn, Jamie Lloyd Anderson, Craig K. Anderson, and Norman A. Anderson Jr, as well as her dear nieces and nephews, whom she adored deeply. Kelsha held a Doctorate in Philosophy of Behavioral Science and was a proud author, educator, and lifelong learner. She loved writing, reading, movies, basketball, and bringing joy through cooking and baking. Her family was her foundation, and her passion for people was her purpose. Though she is no longer with us in body, her light, love, and legacy live on forever.

Kelsha was a beautiful inside and outside it was always a joy to speak to her even through her pain she was confident that God will take her through. As I purchased the 3 three trees from her cousins Lorraine and Norma, it represents her presence here on earth growing and never be forgotten and always in our hearts. Rest in heavenly peace Kelsha you were a beautiful soul. 🥹🙏❤️
