“ So shocked to learn this tradgic news. We met Kemisha and John in a gate1 tour group to Egypt and a year later was invited to a holiday party in Atlanta hosted by Kemisha, proud to be the only Asian couple in presence, which speaks volumes to the kindness of our gracious host. We were actually trying to reach out for a get together for our next trip to Atlanta, which is how we found this sad news. Our deepest condolences to the family. With fond memories. “ *To the Davis and Copeland family
In Kemisha finest hour, Anna and John, was there
With her. But there's a higher power that we
answer to and kemisha her Jesus calling her
name
Those we love don't go away they walk beside us
Everyday unseen, unheard, but always near. Still
loved, still missed and very, very dear.
Our Deepest Sympathy, Jean and Lin Miller from
Columbus Georgia.*

“ *Kemisha Copeland is one of the most remarkable women that I have ever met. She was kind, encouraging and had the purest heart that I have ever known. She was my host mother during my exchange year, and she without a doubt loved me as if I was her own. She was put in my life for a reason and I will always hold the memories of her so close to my heart. Thank you for everything Mrs Kemisha. Thank you for for the light you brought back into my life. Thank you for always radiating positivity. Most importantly thank you to you and Mr John for openly welcoming me into your home. I will always strive to be kind just as you always taught me and I hope I am able to change one person's life the same way you changed mine.*

“ I met Kemisha when we both worked at Catholic Social Services in Edmonton, Alberta, Canada. She was hired as a counsellor and I was a Program Coordinator. I liked her immediately. How could you not? She was a shining star in an office filled with sad stories. She was strong, competent and welcoming. I wish I had had the chance to spend more time with her. The world has lost a bright light. I send my sincere condolences to her family.

My condolences to the family. I met Kemisha through the 40 DTU with Dr. Joe she was what we call my Super Leader, and she was just that to us as a group of coaches. She was caring, compassionate and made sure we had what we needed to help others get what they needed.. I was shocked to hear of her passing. I will be praying for peace and understanding through this difficult time.
