“ *To Kendrick's mother, wife, siblings, and loved ones:*

I am sorry that your husband, son and brother was asked to return home so soon. I know your hearts ache as you think of all the memories that his spirit and personality brought through the years. However love never dies; and just as long as he can be remembered, he will always be with you.

*With my condolences and love,

“ Sleep in Heavenly peace Kendrick. My condolences to your family and all those whose lives you touched. You hold a special place in my heart; as we share an abundance of memories from kindergarden through 12th grade and beyond. Your natural, undeniable humor, will never be forgotten! As we grew older and created lives for ourselves, it was always a joy to hear that you were doing well and to see you whenever you came 'home'. May your memory live on in the hearts of those left behind, which means you will live forever!
