“ *Kenji was a loving person I been knowing her for about 10 years. When I met Kenji I was homeless and just had a new born baby. Kenji helped me with my daughter. Kenji is the type of person where her heart is so big you would think she was an angel sent by god to care for everyone in the world. only thing I regret is loosing contact and her not able to see my daughter Cierra grow up. Kenji if you was in front of me I would thank you for all the things you did for me and my daughter. You will always be remembered and just know I love you greatly.*

*Rest in Heaven
