“ *Kenny was the kindest most friendly delivery driver I have ever met. I couldn't wait to see his smiling face every morning around 9:30 am. He will be missed terribly by all that knew him. He didn't just deliver my payroll, he was a friend who showed up everyday to share his remodeling project, his vacation memories and best of all the love he had for his family. He often talked about his mother and sister. I am in shock over the early loss of this great man - but look forward to seeing him again one day. My prayer is for the ones he has left behind and their sadness. Psalm 23*
