“ Kenny and I were very close at one point in our lives, sharing laughs and many good times. Living in South Florida since 1984 I've lost touch with many of my friends from Hempstead. We met in the 8th grade at Jackson Elementary School. Kenny would start a commotion at every assembly that would be so funny and everyone in the class would be doubled over with laughter until they would send for the principal. He should have been a stand-up comic. My condolences to the family from Jimmy and Debbie (Dobson) Lawrence. May God be with you at this sad time.

“ I'm very sorry to hear of Kenny's passing. I hadn't seen him in a while, but will always remember the times growing up on The Heights and in high school in Hempstead, N.Y. and much later spending some time together in Georgia. He is no longer suffering after fighting the good fight for a long time. My condolences to the Brown family.

“Kenny Brown- one of the funniest people I have had the pleasure of knowing. He always kept us laughing. What great times growing up in Hempstead and later the Atlanta get togethers. Heart felt condolences to the family. May God give you peace in this most difficult time. Doris Jean
