Hello Family!

My relationship with Kenneth was short, yet impactful. We met at the VA hospital, where I had the opportunity to assist in training him for his new position. I will always remember his infectious laughter, his uncompromising energy, and selfless spirit. He is unequivocally missed, and my condolences are extended to his family and friends.

See you in the morning brother! Rest well.

“ Dear Family of Kenneth Haythe- I only knew Kenneth for a very short time. I met Kenneth this past April when his work team moved to a new work location. Kenneth would come to the building each morning at 6:45 am and we would talk before he started his work day. He was a fine person; kind, gentle, and respectful. I was very shocked and sadden when I was told of his passing. Always cherish the wonderful memories that you have of Kenneth in your minds and hearts. Kenneth will continue to live in each and every one of you. I am a better person that Kenneth touched my life even if it was only for a short time.

*With my deepest sympathy,
