“ Kenneth was a true friend and loyal confidant. He lived life to the fullest and laughter was his super power. He was one of the liveliest persons I knew. His sense of humor and laughter were infectious. He truly cared about all of those around him. He would never hesitate to help a friend and always had great words of wisdom to pass along. I will miss you dearly my friend. Thank you for your loving spirit and everything that you have meant to me, your family, and this world. Until we meet again...
