“ To the Williamson family. I am so sorry for your lost. To be absent from the body is to be present with the Lord. Take comfort in knowing that he is with the Lord. May the Lord give you all the strength that you need at this time. You are all in my prayers.

“ It breaks my heart to know that cousin Kenneth has passed on from this life. He was ever so caring and calm. I will miss those long meaningful conversations we used to have. On the occasions that I popped in on him we talked at length and he never missed a beat talking about his upbringing, the value of hard work, showing kindness and remembering those that helped and showed kindness to him along his journey. I will indeed miss his laughter and welcoming smile. He knew how much I loved him.

To mummie, Charmaine, Howard, Dave, Chris, and the rest of cousin Kenneth's family, my heart breaks for your lost. Please take comfort in his memories and all the precious times you had together. I know you will never forget him, but I promise you with time your heart will ache less.

He's no longer in pain and I know that an army of love ones welcomed him into his Father's Kingdom.

RIP cousin Kenneth 🙏🏻🕯️

“ I am so saddened by the loss of my dear cousin Ken. as he was affectionately called!! Ken. was such a kind , caring and thoughtful person who was willing to share and encourage family members and others always!! He was always ready to listen attentively to any concerns one might have and gave positive and constructive advice!His calm voice was enough to change one' s feeling in a good way after a conversation with him! In other words his voice was like therapy! 🙏 Ken.had that cheerful smile always !He's always ready to talk about his humble upbringing and also remembering all the people who helped him along the way!! He was such a grateful and humble person who was full of love and compassion!! He had demonstrated so much beautiful qualities which I am sure will never be forgotten and also for his children ,all family members and anyone who had crossed his path to emulate !!! May his soul RIP!!!
