“ My dearest friend, I will never forget you and all the great times we've shared together, from the many laughs we shared in our home, the warm display of fellowship that you and your dad gave to me and our friends, to the many road trips we've taken to the country jamming out to some of our favorite songs. I will both carry and cherish those memories forever and ever. Ken, you were truly a great person and an even better friend. You will be greatly missed! Until we meet again!

With love from your friend,
