“ *Sending my deepest sympathy and love in memory of my beautiful, dear friend, Kerry. May God's comfort surround the family and allow their hearts to mend in His time. What a loss we've suffered, yet Heaven gained a true angel who had one of the most beautiful and giving hearts. It's still surreal and we know that God is in control of life, death, and life after death. Praying that in the midst of sorrow, happy moments of her gorgeous face and infectious laugh, and quick wit light the way.*

Kerry was my manager at State Home Mortgage for about 4 years. I have been praying for the family since I got the news of my friend and colleague sudden death. Kerry was so good to me when my mother passed as a manager but more importantly as a friend. I thank God for having allowing her to be in my life. She taught me and she consoled me. Thank you to her family for sharing her with me. May God continue to bless and strengthen you as you learn this new life with Kerry in your spirit forever. 🙏 Sam Robinson

“ Sending my deepest condolences to the family. Especially, her mom, sisters, Michael and those beautiful kids. Kerry was one of the sweetest most caring individual I have known. Our instant connection while working with each other, immediately turned into a sisterhood. We would talk about everything and anything under the moon. The best part of those conversations was I knew you would give it to me straight and vice versa. I'm going to miss our talks and stupid text back and forth. Just to let you know friend, this news hit me really hard and I'm still not believing it. My heart is heavy and it feels like I'm living in a daze. Until we meet again my friend, I love you my friend and sister Kerry Ann Hayes.
