“ *Coach Sarden is that coach who reminded you of your strength. I would like to share that he truly made his mark on me when I took a PE fitness class at NAHS. I do believe that my love for fitness propelled after taking his class & going into college with that mindset kept that Freshman 15 off of me! He is truly one of my favorite coaches I had at North Atlanta HS. Sending my condolences to the Sarden family. And Coach Sarden, thank you for your investment in me as a student. You will truly be missed.*

“ Kerry and his family were our neighbors on Harding Street for as long as I can remember. We attended Scripps elementary together, graduating from Southeastern High School in 1979. He shined bright everywhere he went. Always kind, friendly, and a gentleman. We will miss him dearly. Our sincere condolences to his wife, children, family and friends. And to all who loved this great guy! We love you Kerry,

“ Our prayers and condolences go out to the Sarden family. I had the privilege of working with Coach at North Atlanta and at Mays High schools. Coach was always upbeat, cheerful, and ready to do whatever he could to benefit students. On a private side, Coach was instrumental in helping me to learn and love the game of golf. Coach will definitely be missed.

“ We are heartbroken and devastated to hear the news of Coach Sarden's transitioning. He was one of the greatest coaches and mentors to the Class of 2011 basketball team. He instilled so much on and off the court to the young ladies. Our sincere condolences and prayers are extended to his family. North Atlanta High School you're in our thoughts and prayers.
