“ *To jikker and the entire McNeal family.
Please except my deepest condolences.
It was with great sorrow to inform our other band members of Kevin's passing only moments after Jikker posted the news. I had to pull my car over and make phone calls to my band brothers and sister. Being the baby of the band I must admit I got overwhelmed in my car. Some of my best childhood memories included Kevin who was one of the most talented bass player's I ever met. He will always be remembered kind and caring that way. I am honored in knowing him along with the other band members of CITY FUNCTION/ETERNITY. May God bless you and keep you in his grace and grant you comfort at this time of bereavement.*
