“ Khalif I have only known you for a short while. I came into the barbershop about 6 months ago in need of a cut and you was the one to greet me and give me a great cut. I been coming every since. I just heard about your passing on yesterday. Man I'm still in shock. I send my condolences out to you and your family. I will miss you my brother.

“ Out of all the adulting and living we've done over the years, I still remember you coming through mom's house when we were kids on your moped scooter. From Bob Mathis to Chapel Hill to SWD to man hood, you been the most solid dude i've known. We've gone times without talking or seeing each other but that's how it is sometimes, but we always, always pick up right were we left off and that makes me smile. A true friend indeed!! Things wont be the same without you dawg. RiP my brother. You will forever be missed. 💔
