“ I was also a co-worker of Kim's at Westrock. She was one of the few people I could always go to when I had questions. Kim never had an unkind word to say about anybody and I thoroughly enjoyed working with her. Rest in peace dear friend.

“ Dear Kim you have left a deep positive impact on all of us who had opportunity to interact with you.  
You left us all shocked but wish you find the best place in heaven and ,must be proud what you had achieved,  
It has been pleasure to be your coworker at WestRock. You were always friendly, understanding, respected everyone around and remember how you felt proud of your kids, I wish your family the best.

Our heartfelt condolences to grieving family and wish for strength to bear the irreparable loss.

“ My dear sweet Kim, you will be missed. Working with you at WestRock was always a pleasure to be around such a dedicated and conscientious person. But the most important thing was our friendship and how you treated people in the most caring and heartfelt way. You had so much love for your beautiful children and was so proud of their accomplishments. It was my honor to be your friend and I will miss you so much. May God's grace be with your soul as you enter his kingdom and may he shed strength and support to your grieving family. Greg Clark.
