My Dear, Sweet Lil Sister. Had I known that our Hug & Declarations of "I Love You" would be our last, I would have hugged You longer... tighter. I'd give anything if we could turn back the hands of time. We'd spend more time together, like we did when you were little. I loved being Your ' BIG Sis', taking you on trips, throwing a teenage Birthday Party for You, you know the things that Sisters do. 🤔👉👎
Kiss Daddy for me and hug Elsie. I'm comforted, knowing You're with Them.
Until we're all together again.... I'll cherish My Memories of us just being ' James Chapman' s Girls. 🥺 Love & Miss You. ❤️💔😭

“ Kim was my cousin and my friend. We both loved to travel & we both loved the beach. She was usually the person I went to the movies with. We both loved watching Power! She had a thang for Omari Hardwick! Her smile, her laughter will be dearly missed.

“ I worked with Kim for years before moving away in 2011. Kim had such a kinder spirit and super quiet. She spoke highly of her mom and was a wonderful caretaker for her mom. Kim had a beautiful smile and will be missed. You have earned your wings and you are with your parents. May God be with her family during these times.
