All these many many years later I still think of my dear friend Kimba which is what I called her. I miss you so much. We had so much fun together both at work and not. I cant wait to see you again my sister friend. Thinking of you always. I love and miss you.

“ Still thinking about Kim everyday and coming to terms with her passing. I still hear her Keepin' it hundr'd straight talk she would share with me and her infectious giggle. My thoughts and prayers are with Jeff and Leon and her family. I feel she spoke to me again through her family at her memorial service and I am so thankful for that.

Her love and goodness (and her feistiness!) will ripple out and be felt by us all for many years to come.

So blessed to have known her.

“ My prayers are with during this loss. Kim will be greatly missed. She was a dear friend to our daughter Tiffany. We also had the pleasure of meeting and sharing vacation time with her. God bless your family. Know that God loves you and is with you during this time of sorrow.
