“ Kimberly was always uplifting to others. She was always helping everyone at Columbia Elementary. I remember she made special cupcakes for my twin sister's graduation celebration. That is who she was a giving loving person never thinking about herself. And she always kept the faith.

“ Goodbye, My Friend, We've done a lot of things that I never regret; The good ones or the bad ones, moments I'll never forget. It's hard for me to cheer up, because I am feeling blue; By accepting the fact that, my life's never the same without you. You've been here with me, through my up and down. I will miss those conversations that we had together on the phone . Just to help me through my problems all along now that you are already gone, I guess I have to be strong. Always have Love for you too the moon and beyond. Fannie Alston

“ Since the day that Kim walked into Columbia Elementary School, we hit it off. We would often talk and laugh together in the hallway. She truly became Columbia family. I will have fond memories of Kim from attending football games together to creating her "paper" wedding dress. Everyone who knew Kim, knew that she could bake like none other. I still remember the pink and green checker board cake that she made for my founders' day. Kim will be truly missed by everyone. I send prayers out to her family and her friends during this time. May God grant all of us strength during this difficult time. She will forever be in our hearts.
