“ Dear Smith Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous. May you have peace as you think about this beautiful hope for the future.

“ Dear Family of Kimberly Smith,

I was saddened to hear the news of Kimberly's passing. Kimberly was my advisee at Fort Hays State University as she was working to complete her degree in Sociology. We spoke several times a year via phone about her class schedules and multiple emails back and forth as well. The last time we spoke was in April 2018. We talked about seeing the light at the end of the tunnel as she would be graduating next Spring 2019. She was excited to be finishing up and earning her degree. I am so sorry I never got to meet her in person and my sincere condolences to her family.
