“ Lord knows I would do ANYTHING to hear you call my name again to come lift you up, make you some ice, or to rub your leg/feet. I would do it a million times over and over again. You left me to soon ☐. I never expected to put "LL" in front of your name so soon. You showed me what strength actually looks like and I'm so proud of you for that☐. Thank you for your love, support, and guidance. Your memory will always live on in my heart, and I will never forget the love and joy you brought into my life❤️. You were more than just my cousin. You were family, a friend, & someone I could always count on. Even though you are no longer here, your spirit continues to inspire me everyday☐. Nothing will ever alleviate this pain. I love you forever❤️.

“ Writing this seems so unreal. I never wanted the day to come that leaves me missing you. You showed tremendous strength. You never complained or asked God why and throughout this journey you've taught me so much. Your unwavering faith will always be a reminder for me to keep going no matter what. I'll always cherish the memories and be thankful for the times we had. I'd choose to be by your side in this lifetime and the next. I love you forever❤️❤️

I hope you knew how much you meant to me, how much you still mean to me. You may be gone from this world, but you will never leave my heart. Not a single day will pass where I don't think of you, love you ❤️❤️

Rest peacefully, Mom. I love you forever.

“ No matter what the situation you came racing for us there's honestly nothing I can say to explain how I'm feeling just wanted to give you your flowers and say thank you for being the best mom ever and doing whatever it took to provide me and my siblings but even more importantly I really appreciate you for showing us what real strength is you battled until you literally couldn't anymore prove yourself right by saying god Will call when he ready and not when a doctor said so now rest up my baby you deserve it 🙏👉🥹💕
