

King David Patrick Bailey

February 24, 2004 - December 19, 2025

With heavy hearts, we announce the passing of King David Patrick Bailey, age 21, born February 24, 2004, in Atlanta, Georgia, and transitioned on December 19, 2025.

King spent his younger years in the Stone Mountain and Lithonia areas before spending his high school and later years in Cobb County, GA.

He was known for his quiet nature, kind heart, and remarkable intelligence. A natural math whiz, King had a brilliant mind and a deep love for gaming. He also enjoyed one of life's simple pleasures—good food—especially Popeye's, which always brought a smile to his face.

King shared an unbreakable bond with his beloved family dog, Bailey, whom he considered his best friend. Their companionship brought him comfort and happiness, and their love was pure and unwavering. Bailey preceded him in passing on December 1, 2025, and it is a beautiful comfort to know they are reunited once more.

King was preceded in death by his beloved family dog, Bailey (December 1, 2025), and his grandmother, Patrick Elaine Ross (July 13, 2024).

King is survived by his devoted mother, Tanisha Franklin; proud father, David

Bailey; beloved younger brother, Caesar Bailey; grandparents Patrick and Roberta Franklin and Bernard and Irene Bailey; godmother Kimberly Williams; and a loving circle of aunts, uncles, cousins, coworkers, and friends who cherished him deeply.

Though his time with us was far too short, King's life will forever be remembered through the love, memories, and quiet brilliance he shared with the world.

"The Lord is close to the brokenhearted and saves those who are crushed in spirit."

Psalm 34:18

“ To Tanisha, Caesar, David & family, your Holmes Cook family members are praying your strength in the Lord, as you celebrate the life of your son and brother. Our last encounter with King occurred 14 years ago at his Granny's (Helen Holmes Dunham) 70th birthday bash in Shelton, CT. She was in her glory when her great grandsons danced with her, King doing his own version of free flow dancing which gave her great joy! We extend our sincerest condolences to you. Know that God is with you and will be with you now and in the days that lie ahead. When the festivities end and your thoughts consume you, listen to Richard Smallwood's song "Healing" that he wrote at a time of bereavement in his family, You are in our thoughts and prayers. Our love and Blessings to you individually and collectively. May God's peace be with you. Love, Uncle Cook, Aunt Marian, and Uncle Richard.

“ I have known David and the Bailey Boys now for 14 years . I'll never forget the first time I met the boys . I bought a Little Ceasar's Pizza and told David I was bringing it over . I called he opened the door and the boys came out looking like ooh who is this lady . They both said hi . So I became the pizza lady as they told their mom . I will never forget that look on King's face .

With heartfelt sympathy and absolute sincerity, we pray God's peace over your family in the midst of sorrow and His comfort in the midst of pain. Earth has no sorrow that the promise of Heaven cannot heal. We love you all.

“ Although I didn’t see King often, I knew a lot about him through his grandparents, Patrick and Roberta. I know that he enjoyed spending time with them especially since his grandmother showed him and his brother with good food and seriously good desserts. I believe those were some of the many happy times in his life. I pray that he has found peace with the Lord. Although his life was short, he brought joy to many people.

“ King’s special energy and eagerness gifted our kitchen and cafe, with a unique sense of purpose.
I enjoyed getting to know this young man and all of us wish for more time with him. His lasting impressions and sweet presence remain in our souls, and of course, we will all cherish his contributions towards our collective efforts. This loss is so painful.

May King rest easy, our hearts and condolences to his family.
