“ *My prayers are still out to his family especially his son, and friends. I met Kip through playing pool and he one of those people that can get along with anyone and gave great advice and was a fun loving genuine person. I still miss you to this day.*

I wish I had known before now that the service was streamed. I just watched the entire service and I must say it was the wonderful and heart felt service he would have wanted.

Also I would like to know was there or is there an update about a service in Jacksonville? Thank you in advance.

KIP you are missed dearly and one day we can play a game of pool again! Love you bro!

“ I am saddened that Kip has passed on. I send my condolences to his family, son, and wife. May GOD be with you all and give you comfort and peace. I know Kip deeply loved his son, Kamden, and was a great supporter of his son. I attended Bolles High School with Kip. I graduated in 1991.

“ I would like to extend my deepest, heartfelt condolences to Kip's family. I went to high school with Kip and he was one of the kindest people I knew at Bolles. His smile could light up a room. Kip was a big basketball star, but he was always so humble and friendly. He will be missed. My ❤️, thoughts and prayers go out to Kip's son Kamden, wife Kim, mother Dorothy and the entire family. May God bless.

“ Me and Kip Stone arrive at the University of Louisville 1990. We call each other cousins because Kip cousin was married to my sister. We build a strong bond together looking out for each other, becoming great friends (Florida Boys). He played basketball and I played football. Kip transferred to Jacksonville University after two seasons and I missed him then and I will miss him even more! Until we meet again cousin. My condolences to the family! 🙏

“ Kip was a key player on our back-to-back State Championship teams in 1988 and 1989. He was a pleasure to coach, a hard worker, a team player, a leader on the floor, and a good citizen on and off the court. I had a good conversation with him about two weeks ago. He was upbeat and excited about the progress and future in basketball for his son. We were shocked and very saddened to hear of his passing, RIP. Our thoughts and prayers are with his family.

“ We both are families who loves our children, and we make sure that they see each other during the Holidays. So during one of the times we came to visit during a holiday, I can remember Ryan seeing Kip for the 1st time. Ryan was younger, then. He was amazed by Kip's height and asked many questions of Kip. Kip was patient, kind, and gentle. I will never forget the times the Domio family spent with your family. We want to extend our condolences and our love to you and yours. May God continue to cover and keep you during this time.

“ *Kip was my student and advisee at Jacksonville University. I was struck by his quiet nature, sense of humor, team loyalty and dedication to his family. We stayed in touch over the years, and through social media I saw his immense love for and pride in his son. There are no words that convey my sadness for his family, but I am honored to have known him and to have been part of his academic journey.*

My heart and my prayers to the Stone family. No words can explain or begin to comfort in this situation. May you find peace and comfort through these difficult times.

I've done a poor job of keeping in touch, but the joyful memories of Kip, my rival in high school, my teammate in AAU ball and later in college are and will forever be etched in my heart and in my mind. -Kent Shafer

RIP Kip, colleague of Jacksonville University. You'd just turned 49, still full of hope, dreams and ambitions; but, God needed you most! I remember him at JU and became an instant basketball sensation after transferring from Louisville.....my heart goes out to his son and family. God's blessings be upon you all during this difficult time of many, grief's and sorrows. Now he's in a place of rest, where he will never grow old. To be absent from the body is to be present with the Lord. My deepest sympathy to everyone, especially his son Kamden and the family. Rest in Peace classmate. Kip was an outstanding ball player at Jacksonville University where he made many friends and colleagues. May his soul be at rest now and God grant his children and family with the strength needed during this time of grief and sorrow.
