Ms. Kirsten Louise Dennis, born Becker, passed away peacefully on January 11, 2026, in Stone Mountain, Georgia. She was 66 years old. Kirsten was born on October 24, 1959, in Franklin County, Ohio. Her parents are James E. and Corina M. Becker. She was their third child and second daughter. She went to school in Columbus and Cleveland, Ohio. She finished high school in Kalamazoo, Michigan. She then went to Kellogg Community College in Battle Creek, Michigan.

Kirsten worked for Verizon Wireless for over 30 years. She was a communications specialist and office manager in the Atlanta area. Her professionalism and commitment made a lasting impression on her coworkers and clients. Kirsten was a woman of deep faith. She was a Christian and went to church for many years. Even when she had health problems, especially during the difficult year of 2025, her spiritual strength did not waver. She found joy and comfort in reading the Bible and going to church services when she could. Kirsten's warmth reached beyond her family. She was known for her loving nature and bright spirit. She had a special way of connecting with people. Strangers were often drawn to her kind heart and welcoming presence. She truly liked everyone she met.

Family was very important to Kirsten. She is survived by her daughter, Lauren N. Dennis, and her granddaughter, Nyema Flake. Her mother, Corina M.

Becker, also survives her. Kirsten was preceded in death by her father, James E. Becker, and her brother, Brent M. Becker. Kirsten has an older sister, Leslie L. Becker Flake. She also has a younger sister, Lisa D. Becker Watson. Besides her work and her faith, Kirsten enjoyed simple things. She liked spending time with family and friends. She also enjoyed going out for lunch and sharing laughs. We are sad that she is gone. But we know that Kirsten is now at peace. We hope her memory brings comfort to everyone who knew and loved her.

“ *Kirsten became my neighbor in 2003 when I moved to Stone Mountain. She later became my friend, also. We would talk and compare information when we needed home repairs. Shortly after moving I got custody of my grandkids. She was amazed I had a 4 month old baby. The kids grew up knowing Ms Kirsten. Later my granddaughter would go over & help her and the guys would do work in the yard for her sometimes. She will be missed by my family. She had to leave us but she left so many good memories I will treasure forever!*

Kirsten was my sister-in-law. I remember when she introduced me to the Fox Theater to see "Phantom of the Opera," which later became a family favorite movie. She would give her brother and I gift cards at Christmas to experience great Atlanta restaurants. We would have encouraging conversations about our faith in the Lord. I am praying for the family and the Lord's mercy and comfort. Blessed in the sight of the Lord is the death of His saints. (Ps. 116:15)
