“ When Landon and I were young we were really close, we would have nerf wars play card/board games and just do all the things you would see from typical kids. But Landon wasn't just any typical kid, he had his own unique personality that made him a very lovable person. He would always be there for anyone who needed a shoulder to lean on, regardless of who they were.

It took me over a year and a half to finally decide to write and send this in so I hope it has a meaningful impact.

Sincerely, Leland

“ I had met Landon when I was in 5th grade enrolling in Mrs.Hendrix's class, he was such a sweet, funny, and polite boy. I cannot believe this is happening, I'm in pure disbelief. May he rest with God peacefully and blessed, I'm praying for family and friends.
