“ *A Prayer for Inner Strength*

Dear God, Please give me the strength to endure this situation and to find the blessings and lessons it contains. Please give me the comfort you promised when I'm overcome with sorrow. Guide my thoughts, words and actions and keep me walking on your path of peace and love, while leading others to it. Help me remember you are in control of life and death so that I will not condemn others or myself. Amen

Dear Verna, D'Neka, and extended family. You have my deepest sympathy. It has been some years since I personally interacted with Langston, but I remember his recent voice message apologizing concerning having his mother's car at a time when I was expecting her to come over. He still sounded like the little boy I knew. Praying for God's comfort and peace in your lives during the difficult days ahead. Love always, Carol Cenac
