Obituary

Lanora Elizabeth Gardner Berry went home to be with the Lord on November 2, 2023 from her home.

Lanora was born July 2, 1957 in Atlanta, Ga to the late Delores Ann Gardner. She was also preceded in death by her grandmother the late Willie Lee Tipkins Gardner.

Lanora was a special child. Lanora had a love for God at an early age. She would wake up her mother to dress her so she could go to Central Methodist Church across the street from her home.

The members of the church would gather around the young child (Lanora) who read the Bible so eloquently!

Lanora loved education. She had a Bachelor's degree in Political Science. She had two Master's degrees. Lanora was a PhD candidate.

Lanora loved her nieces and nephews and was dedicated to taking care of them.

Lanora was a phenomenal teacher at Hightower Elementary School in Atlanta, Ga. She loved teaching.

She said God called her out of a government job and told her to go and teach! She loved her students and her students loved her. Lanora had a heart filled with love.

Lanora is survived by her sisters: Ethel Marie Ball (Vincent), Christola Kelly (Isaiah), Virginia Gardner, Lisa Weaver (Johnny).

Her brothers: Milton Gardner, Christopher Gardner (Deborah) and a host of nieces and nephews and Lenthia Rolling - her best friend and a host of other relatives and friends.

Truly we lost a great lady - Lanora Elizabeth Gardner Berry!

Our beloved Sister Lanora Berry will be missed by the V.I.P. (Victorious Intercessory Prayer) Ministry. She was so generous in sharing her love with others, even when she was standing in the need of prayer herself. She was a kind and loving woman of God who lived by faith. Her joyful and encouraging spirit were a blessing to us. We will miss her presence but never forget the love she shared with us. We pray that the Lord will comfort the hearts of her family with His Love, and bless them with His Shalom Peace in Jesus' name ❤️🙏

“ Lanora was a beautiful soul. She was a believer. She believed in God (the Father) Jesus Christ and the Holy Spirit. Lanora lived by faith. She took communion every morning by faith. She remembered that Jesus body was broken for her and his blood was shared for her.

I met Lanora in Germany. A meeting orchestrated by the Lord. I lived with her for 23 years. We were two souls put together by God! I believe, Jesus sent her mother or grandmother to escort her off of this earth on Nov. 2, 2023. Lanora and I are eternal friends and Jesus have the words of eternal life. My friend Lanora Berry is present with the Lord!

I will always remember Lanora as a positive and joyful person. Someone you like to be around. She lifted your spirit when you were in her presence. Never a dull moment with her. She traveled with us to the Creation Museum and the Ark Exhibit in Kentucky. It was so much fun. My Daughter was our driver. We had to make a few pit stops along the way. When we were ready to get back on the road the question was, where was/is Lanora? "I'm coming" She was coming of course. Last one back on board 😊 We truly enjoyed our trip and she helped to make it that much more enjoyable. Her physical presence will be missed, but our memories will keep her in our hearts until we meet again. My most sincere condolences to Lenthia and the family. May God bless you and wrap His loving arms around you all during your time of bereavement.

I am Lenore's little brother she was a wonderful sister. I am sorry that we lost her so soon. I am not mad at God, but I am grateful for the time I had with her. The day before her passing we were talking on the phone laughing and joking. The day afterwards I was grieving her loss. Yes I will miss her but I will never forget her. The love she gave me I hope I gave it back.

Dear Lanora has left this earth, but will never be forgotten. My name is Rhodia Charlton & I'm Lenthia's sister who lives in Cincinnati Ohio. I first met Lanora at my daughter's wedding when I asked her to entertain the children who were there, because the original person assigned could not come. She gladly agreed and oh, what a wonderful time the kids had with 🎵 music, games, activities & especially her ❤️ love. The kids special room could not have been better. Through the years, I got to see Lanora more and more & she invited us to stay in their lovely home as we were traveling down south. On the morning Lanora transitioned into heaven, she talked and talked and moved on up. All of her dear siblings will miss her so very much. Friends and others will miss her so very much but God called her into heaven. Although she is gone to heaven now, Lanora never will be forgotten! 🙏
