“ To my soul mate... I will always love you! It hard to grasp the fact you are gone but I'll always remember the amazing times we had. You were always so good to me and the kids and I'm sooooo proud of the man you became. I guess God was ready for you to come home even though I wish he gave you the life you deserved to live! I pray for the boys and ask God to give them peace and understanding. I also pray for your family and hope God calms their spirits and provides comfort. I will NEVER forget you baby, I miss you dearly and I know you'll always be by my side! I love you my Zoey and until we meet again please always make your presence known. Love you!
