“ While never blessed to know Ms. Willis, I'm so very saddened by her passing. To think that a good woman goes to work to earn an honest living and never returns home just breaks my heart. To those she left behind, I'm so sorry for your loss. Heaven must have needed her.

“ *Oh what a beautiful spirit. I have been going to her place of work for 15 years. I don't recalled seeing Laquitta during those earlier years. After a while I recalled seeing her and recalled she told me she was thinking of taking some classes. I don't recalled what it was as this is not something I expected would come back to mind. She was beautiful. She did not talk much. I did not know she was only on assignment from God and did not even belong here. I looked into my life this day and use her model of living to help me with my best life for God. God sent us a Royal down to earth beauty to model from.*

What what a blossom from Gods beautiful garden. This flower has served her purpose and went back to her master. She did not belongs here much longer, but we would never have known. I want to cry, but let Moses God, Abraham God and my God, ship her into her Royal Mansion. Thank You, Lord for this precious flower named Laquitta. May her sweetness be the seed to spring more Laquittas on this land. Please help me Father to live a Royal life like this one that was escorted to Heaven in Jesus Name.
