“ To Alex

*Never should your heart feel lonely
though I may seem far away.
From a place up in the heavens
I'll be watching you everyday.*

*Know my spirit will be near you
with angels ready standing by
for each step you take tomorrow
and for each breath that you sigh.*

*And before you even know it
back together we will be.
Always will be with each other
forever through eternity.*

*So continue on your journey -
enjoy your life along the way.
And remember from the heavens -
I'll be watching you everyday.*

“ A Letter from Heaven

My Dearest Family,

There are some things I'd like to say, but first of all, I want to let you know that I have arrived OK. I'm writing this from Heaven where I dwell with God above, where there are no more tears or sadness, there is just eternal love.

Please do not be unhappy just because I am out of sight.

Remember that I'm with you every morning, noon and night. The day I had to leave you, when my life on earth was through, God picked me up and hugged me and He said, "I welcome you. It's good to have you back again; you were missed while you were gone. As for your dearest family, they'll be here later on. I need you here so badly, as part of My big plan. There is so much we have to do to help our mortal man."

Then God gave me a list of things he wished for me to do. Foremost on that list of mine was to watch and care for you. I will always be beside you every day and week and year. And when you're sad, I'm standing there to wipe away your tears. When you lie in bed at night, the days chores put to flight, God and I are closest to you in the middle of the night.

When you think of my life on earth and all those years, because you are only human they are bound to bring you tears. Do not be afraid to cry, it does relieve the pain. Remember there would be no flowers unless there was some rain.

I wish that I could tell you of all that God has planned. But if I were to tell you, you wouldn't understand. One thing is for certain, though my life in earth is over, I am closer to you now that I ever was before.

There are rocky roads ahead of you and many hills to climb, but together we can do it taking one day at a time. When you are walking down the street and I am on your mind, I'm walking in your footsteps, only half a step behind. When you feel that gentle breeze as the wind upon your face, that's me giving you a great big hug, or just a soft embrace.

When it's time for you to go, from that body to be free, remember

*you're not going, you are coming here to me. I will always love you,
from this land way up above. I'll be in touch again soon.*

“ *As I sit in heaven
and watch you everyday
I try to let you know with signs
I never went away
I hear you when you're laughing
And watch you as you sleep
I even place my arms around you
To calm you while you weep
I see you wish the days away
Begging to have me home
So I try to send you signs
So you know you are not alone
Don't feel guilty that you have
Life that was denied to me
Heaven is truly beautiful
Just you wait and see
So live your life, laugh again
Enjoy yourself, be free
Then I know with every breath you take
You'll be taking one for me*

“ *Dear Grandpa, from the very beginning I knew right away, Grandpas have a special love that is in their hearts to stay. Your firm yet gentle touch is as loving as it can be. The tears in your eyes tell me how proud you are of me. I want you to be a part of my life as you watch me grow. Tell me stories and teach me things only grandpas know. We will be best buddies, then one day you will realize, I'm all grown up and my hands are big, just like grandpa's size.*

Love BamBam your first grandson

“ *When tomorrow starts without me,
and I'm not there to comfort you,
please know that I still love you,
'cause I know you love me too.*

*When tomorrow starts without me
and you feel lost and blue,
I hope these words I've written
will help to see you through.*

*Someday your pain will ease,
sadness replaced by fond memories.*

*Come tomorrow you will hear
I love you whispered on the breeze.*

*When tomorrow starts without me
'cause God has called me home,
I turn, blowing a kiss for thee,
sad that you may feel alone.*

I will miss you tomorrow.

As I take one last glimpse,

a tear falls from my cheek.

I'll be going home.

And tomorrow will start without me.

Love your beloved son, brother, father, uncle, friend Larry

“ *Father, as much as I hurt, as hard as it is, help me to take my eyes off my loss and remember what You went through to sacrifice Your own Son for me. There is no doubt that You understand the depth of what I'm going through, and that brings me comfort. Be with me this day and instill in me the strength to give thanks to You— for the sacrifice You made and for how I can live with the simple knowledge of Your presence and holiness in my life.*

IN JESUS' NAME. AMEN.
