“ Dear Peavy Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace and comfort as you think about this beautiful hope for the future.

“ Larry was my big brother and we called him Sonny. When I found out my brother had passed I felt like my heart had shattered in a thousand pieces cause I loved him so much and I am truly going to miss him. I know my big brother will be fine because our Mother, Father, Brother and our oldest sister will be waiting to welcome him into Heaven. My brother was a good man and I thank God for my big brother and I consider it a blessing to be his younger sister he has always been such a joy 😊 RIH Big Brother your lil sister Nina
