“ To Carolyn and Family. I am so sorry for your loss. I enjoyed working with Larry when we were colleagues at Georgia Southern University in the Political Science Department. The students loved him! He always pushed them to do their best and I will never forget him at the copy machine preparing for class with current events relating to politics. Rest in peace, Larry.

“ Heartfelt condolences to Carolyn and family. Dr. Taylor was a kind and loving person. He genuinely cared about people. He was intelligent and very analytical. I remember debating with him about different political issues. He won the debates most of the time. I enjoyed the discussions. Carolyn, may the hope of heaven give you peace, and the touch of God bring you comfort in the days ahead. Memories and love will never be erased. God will give you strength. With deepest sympathy and prayers,
Pauline Cody and Family
