“ LaSanja better known as San. We met because we both drove for Swift at WalMart in Monroe, GA. Our respect for each other went beyond work. You were my beloved friend. We helped each other thru trying times and celebrated the triumphs . Spending a lot of time together before covid put up a barrier. You had many stories but the ones about your love for your children dominated most conversations. Now my friend has ascended to an existence of peace & tranquility. Your absence will be felt but a smile will always accompany memories of you. I love you San. Rest my friend.
