“ Dr. Watford's love for her profession and the skill she exercised so naturally is the reason I am being cared for emotionally today. The insight she possessed was unmatched and will remain remarkable. My condolences to the family and the community she served. She will definitely be missed but never forgotten. She will forever be loved.

“ Dr. Watford was a wonderful person. She helped me through my darkest moments and she didn't sugar coat any thing that she felt she needed to tell me. She wasn't just my doctor, she was a friend. I am still in shock because my sessions with her were great! She really understood me and helped me understand myself. I am numb. She really wanted me to go back to school to work on my Masters in Psychology. She lifted me up when I wanted to quit while studying for my Bachelor. She believed in me more than I did. I am going carry her and her advice in my heart forever 🙏❤️❤️

“ I’m deeply saddened by the passing of Dr. Lateefah Watford. I had the pleasure of working with her at Kaiser Permanente when she was Chief of Behavioral Health. She welcomed me with warmth and treated me like family from day one.

Even years later, whenever we crossed paths in the community, we’d laugh and reconnect as if no time had passed. Her kindness, laughter, and genuine spirit left a lasting impression.

Praying for comfort and peace that only Christ can bring to her family, friends, colleagues, and all whose lives she touched.

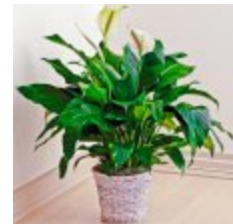

With heartfelt sympathy,

Joy Nails

“ Lateefah and I met a few years ago through our work with PMG and became instant virtual friends. We had plans to start our own podcast together because we could talk to one another nonstop. I will carry her spirit and energy with me and will be forever grateful for the gift of her friendship. I send my love to Lateefah's family. Her memory is a blessing. Love, Laura Ryan
