“ Latiefe, we’re going to miss you so much. Mom and ai will never forget how much you looked out for us while we were living in Atlanta. You helped us without any questions. Some memories are when you can to paint some for us. When you drove us from Georgia to California and you gave us some weed brownies lol. Also you loved the pancake mix from Cracker barrel so we bought it for you and will
When you flew back to Georgia, TSA stopped you and checked it because they thought the pancake mix was something else lol. We have many memories together and I hate I never got a picture. I am sad that I never got to tell you I love you and appreciate you. This is still unreal for me. You will always hold a special place in our heart.
