“ *A Loving person in this world. She made everyone around her laugh and feel better. She was my best friend in college. I don't really get close to people because I am very shy but Tisha always felt like a sister to me. She was the best mommy ever and her strength and charisma lives on in her children.*

“ *Latisha was very quiet and humble spirit. When I met her through my brothers, I at first thought that Julius was her son, not her nephew. Thats just how much she loved him and her children and looked out for all of them. She became the live of my brother's life and I always welcomed her. She was a sweet and pleasant young lady and will be missed tremendously. Your children are proud of what you taught them and so am I. Rest in peace beautiful girl, rest in peace.*
