“ My Loving sister can't believe that you were tired of living, The last time I saw your Beautiful face and your Beautiful smile and heard your laughter you seem to be enjoying your life, despite the aches and pains we all suffer we would laugh at it and keep moving, I'm so happy for the time we spent together. Spending time with you was great, had me talking to my kids about the great time we had I'll always remember your kind and loving ❤️ throughout our friendship, I'm going to MISS YOU SISTER. But it will only be for awhile because God has promised us the resurrection and I will see you again, (Acts 24, 15) I would love to put my arms around all your children and grandchildren to fill them with this hope, I know they miss your love and no one can ever take your place. So my sister sleep until we see each other again in a place where there is no more pain or suffering. Love you Chedy💖💖💖💖💖
