“ Dear Lynn Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous. May you have peace as you think about this beautiful hope for the future.

“ I worked with Ms. Laverne. She was always pleasant and had a smile on her face whenever we spoke. She was always offering me candy or something to eat, She was so thoughtful and generous. Her presence here at work is missed. Loving thoughts and prayers to the family as they continue this journey without her.
