“ Dear Arther Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace as you think about this beautiful hope for the future.

“ *Sister Laverne Arthur will be greatly missed at the Greater Atlanta Healing Temple Church where she became a faithful, loving member last year. We found her to be a person who loved her church family, her natural family, and all people. She was always giving to those around her, whether it be food, clothing, a job, or sound wisdom. She truly loved God, "her Father" and "her church". She loved and was proud of her Native American ancestry. She longed to see her mother again...and now she can!*
