“ *Lawreese but as we called him Raymond was like a big brother to me. Words can't describe the pain I feel in my chest. But if it's possible can Lawreese mom get in contact with our family because he was family and we need a part of him. My name is Kiara Bristow and I would gladly be appreciative if someone could please get in contact with our family.*

Hi Kiara, as you might imagine, this is an extremely busy, painful, and stressful time for Lawreese's mother and entire family. Consider contacting the funeral home to leave a message of sympathy for his mother. Be sure to leave your contact information (email address and/or phone number). There's no guarantee that she'll reply. However, you will have done what you can to reach out to her while respecting her needs at this extremely difficult time. Praying peace for everyone who was touched by his life.

*I've just learned about Lawreese and so deeply saddened. He was such a talented young man that my husband appreciated. My prayers go out to his wonderful family that God will wrap His loving arms around them and give them strength and peace in the days ahead.

“ *I remember Lawreese and my son growing up in the youth church and the Young Peoples Department (YPD) with great enthusiasm and passion for life. It's tough when young folks pass unexpectedly. My prayers and condolences go out to Lawreese's mom (LaShell) and the entire Williams family.*
