“ Hey, I started this fundraiser on GoFundMe. It would mean a lot to me if you could donate or share with others. Any kind of help makes a difference and gets me closer to my goal. Thanks so much. <https://gofund.me/77ebf4af>

“ Boisterous! Loud, funny center of attention. He loved family and was always in good spirits. He was a cool dude and will be missed deeply.

“ I remember most how back in the 1960's my husband and I and Vera and Larry always traveled together and socialized together. We attended the same New Year's Eve party every year for about 7 years in spite of the fact that we thought the party was extremely boring and every year we would vehemently state that we would NOT be attending the next year, but each year we would return to the same party. Rest easy my big brother. You and the love of your life, Vera, are together again for eternity.
