*My man LJ, I called him "L jiggy". His favorite line to me, if me and a bear fighting, "help the bear". 😭 I said to him you a bad man. I will miss the baddest man I have known. LJ was a real dude, you could talk too him about whatever, he was a friend indeed but a better person. He would help you any way he could. He would even give you one of his cowboy boots if he had too. Listen...you hear that, that is LJ singing going through the "pearly gates" RIP LJ God is good.*

*“ I had the sincere pleasure of working with Larry during my time at the FAA at the Delta CMO. I always loved his funny, matter of fact view point on life and dealing with people. I am a better manager and person for having his council and friendship. Larry brings great credit to his family, the FAA, the Air Force, flying public and most of all to himself. His legacy will carry on and that impact will be felt for generations to come.*

“ Over 15 years ago I joined the FAA as a new Inspector coming out of the airline world. Larry was there for much of my FAA career until he retired. Little did I know for many years what a voice he had, until one day I was in Oklahoma City and learned he used to sing there apparently! Then I finally asked Larry and learned how great a voice he had! Larry always brought life to the office and kept it fun! I will never forget him walking around the office before he retired humming a tune, or even singing at an all hands meeting! Thankful I got to meet him!

“ I offer my condolences and prayers for your family during your time of loss and grief. Although I never had the honor of meeting Mr. Johnson, my supervisor and his brother-in-law Mr. Wilbert Paynes shared his music and stories of friendship and brotherly love with me and our team members over the years. May God cover and comfort you all as you celebrate his life and honor his memory.

“ To the Johnson family, my deepest condolences to you. I met Larry at FAA, he was the kindest and funniest man. I will remember his laugh and his love for music and singing.  
I was blessed to have him attend my retirement party and he sang Cooling Water! What a voice. His memories will stay and I know you all have lots of them. I pray for strength at this time for each and every one of you. May God bless and keep you.  
Sincerely, Leigh Aiken

“ Sincere condolences to the family and all those who mourn the loss of our friend and colleague whom we affectionately refer to as Larry. He left his indelible mark on the world of aviation and the SAFETY of the flying public. We are grateful for his path crossing ours and the fond memories he leaves behind at the Federal Aviation Administration and in life. God Bless.
