“ *Doc was one of the world's gifted hands. God through his blessed hands as a medical doctor of note restored the health of many and gave hope to a host of those who passed through his theatre. He gave scholarships, monthly stipends to the seniors in our community, provided healthcare services in rural communities. He was a christian in practical terms and lived intentionally to serve God. We miss him because we love him, but we are consoled by the life he loved that we shall surely see him when we see Christ. Good night to a soldier of Christ. May the Lord provide strength and comfort to the Obembe family and all who held him dear and, may daddy's soul rest in perfect peace. - Bamidele Ala.*
