“ *My deepest condolences to Leavon's family. Having only worked with him for such a brief time, he demonstrated himself to be a respectful, fun-loving engaging, and very helpful person, willing to learn what ever he could. Yet the most important quality I came to admire in Leavon was his compassionate approach to everyone I had the pleasure of listening him work with. A quality I see less and less of in the world today. He will be missed by those of us who worked with him, but I am sure, even more so, by you all, his family. We are deeply sadden for yours, and our, loss. Our prayers are with you all. May the Lord's Mercy be upon him and you all.*
