“ *Please accept my sincere condolences for your
loved one. May the love and support of family
and friends comfort you greatly during this
difficult time. The Bible also gives us comfort
and hope to see our loved ones again by
means of the resurrection.*

“ *Ms. Lelia, you have been a part of my life for as long as I can remember. You and my Mom have always been like sisters. For any and every important milestone in my life, you were there.*

I have always had the upmost respect and admired the positive, yet candid attitude you displayed. I think back growing up and the many times you called the house and asked for your buddy “Sims” or the many times I called Vital Records and you answered the phone in your sweet voice. I am so thankful that I had an opportunity to celebrate your 75th birthday with you.

I love you Ms. Lelia and will never forget you. Rest In Peace with the Angels.
