*The holes that is left will always be there. Please plant new seeds to
fill its place.*

The Master Gardner has promised to water it, when you are ready.

The seeds of life is meant to live life to the fullest.

The seeds love is to be opened for new beginnings and hope.

The seeds of laughter is meant to let joy in and bask the sunshine.

*The seeds of service comes from the heart knowing that any actions
is never to small.*

I have lived, loved, laughed and served with the seeds I had.

*New seeds must be planted for it the Masters will, so fill up the
holes.*
