“ To the Entire Green family, it is with our sincere sympathy; that we regret the passing of your love one Mrs. Lena Green. I had the golden opportunity to meet Mrs. Green and several of her family members; when she lived here in Huntsville, Ala, at the Adventist Towers. I will always cherish the long lasting friendship that she and I developed over the years. To Flora, and my sweet Terry, know that you all are in our thoughts and prayers at this time; and in the days to come. Continue to look to the hills from whence cometh thy help. Mrs. Flora, please know that you had a lovely mother; and that she loved every one of you dearly. She would always say to me: I talk to Flora, or Terry, and Mollie. She loved her Annie, whom she say that she raised, and she would talk about Pam, and Jasmine. She enjoyed cooking so much so that she would always tell me that she was cooking something for one of her family members. I am going to truly miss Mrs. Green, who seemed like a mother to me; when I met her. I could always call her, and she would lift my spirits; and encourage me to continue to do good. At the time that I first met Mrs. Green, I had lost my mother, and there was a void in my life; but I can truly say that she was a mother figure in my life. So I challenge all of you too stay strong, and count it a joy and Blessing that God, granted her favor, and allowed her to live for a long time. Mrs. Flora; always keep check on Terry; for "Ma Dea", as he would call Mrs. Green. Please feel free to call me Flora, and keep in touch. 256 828-2161' Blessings to each one of you.
