“*Lenita’s passing has truly shaken me. We crossed paths in the travel industry, and even early on, she never hesitated to share what she knew—with grace, patience, and a little humor too. One of my favorite memories is us cracking up at a South Africa trade show in Atlanta—pure joy. Lenita had this rare blend of warmth, conviction, and generosity. I’m grateful our paths crossed. Sending love and light to her family as they honor her beautiful spirit.*

“*Though we met later in life through DNA ancestry, you quickly became family in every sense. Your kindness, wisdom, and the stories you shared brought our family’s history to life for me. I’m so grateful for the time we had. You’ll always hold a special place in my heart. Rest in peace, dear cousin. Cassandra W. Glover*

“ Lenita, I have been so heartbroken to receive the news of your passing. I can still hear your kind voice, your infectious laugh, and picture your radiant smile as if no time has passed. You came into my life as a child, and became the “auntie” I had always wanted. You lifted me up, encouraged me, listened with intention, and made me laugh so big! There are no words that will ever be able to adequately express how dear you are to me and to our entire family, nor how deeply I love you. You are a radiant star and I will carry you in my heart always. I am so grateful to have known such an incredible human and for the friendship you gave to my mama. There’s simply no one like you. Thank you for being YOU. You have been the most beautiful example of love, loyalty, fun, adventure, dedication, and positivity. You are sacred treasure to all who knew you. Sending the deepest condolences to your entire family and your precious Chaz. We have all been so blessed to know and love you. I will miss you indescribably. Love you forever. “ I was saddened to hear of Lenita’s passing. Though we lost touch as we grew into adults, I’ll always remember our mornings as cereal buddies, waiting for Ms. Weathersby to fix our breakfast and Lenita laughing at my silly comments or stories so early. Those simple moments will forever be remembered.

Sending prayers and strength to her family during this difficult time.

“ I cannot begin to express my sorrow for this precious loss. The sisters (LeNita, Larina & LaRisa) were regular visitors at our home in Centralia when they were young, always smiling, in a happy mood, being good company, and lots of laughter was shared with me, my sister & Mother. It has been a blessing and my heart was always warmed and excited after we spent time catching up reminiscing, and sharing & learning new things in this busy world. I am truly going to miss my dear sweet friend until we meet again. Prayers for God to bless and strengthen this loving family and all who knew and loved her, as we journey through this life without LeNita. 🙏💔

“ Daren & Chazz our hearts aches for the both of you. Losing someone so deeply loved is an unimaginable pain, and we cannot begin to understand the weight you carry. Please know Jo and I are here for you, always - whether you need quiet support, a helping hand, or simply someone to sit with you through the silence. Chazz, you will forever carry a piece of your mom's light within you, and it will shine through in time, even through the grief. Our hearts also go out to Lenita's beloved family - may they find the comfort in the love she gave so generously and in the memories that will always bind them together. With all our love and deepest condolences, Cousins Annette & Jo

“ *Lenita was my friend. We met in college (IIT). I'm heart broken, shocked and in denial, I still can't accept that she's no longer with us. Lwnita was always a good friend, always positive, and always encouraging others to be the best they can be. Although we kind of loss communication in recent years, we both knew that a simple text here and there would take us back to our friendship time in college.*

I will truly miss Lenita and I pray for God to send her family some comfort during this difficult times. Rest in peace my dear friend. You touched so many lifes here. I'm sure you'll continue to shine in paradise.

My heart goes out to Lenita family. She is one of those people that will make you laugh about anything. And will be greatly missed! Another Angel is in heaven! In this photo she came to my birthday gathering at a eatery spot some years ago in downtown Atlanta. She had asked my daughter to take our photo and another friend of mines jump into the picture. I remember Lenita mumbling to me-"who told her to get in the photo?" I wanted to burst out laughing and say -"yeah you are right; do you want me push her out of the way?" lol. R.I.P Lenita

“ *Lenita was my friend and will be greatly missed. I shall cherish all the conversations and laughs we shared over the years. She was always good about sharing any information that was beneficial for the body, the environment, etc. She was just a good-hearted person and genuine in her intent. My prayers are with Chaz & Darren; as well as the remaining family & friends. RIP Lenita Love you Dr. Jennifer*

“ I was so sad to hear about Lenita's passing. My heart goes out to her sisters and family. I met Lenita in college and no matter how many years went by, we always picked right back up again as if no time had passed. She was such a fun person and knew all the best spots when we visited her in Atlanta. I can still hear her infectious laugh. Lenita, I will miss you and pray for your soul and peace to those you've left behind.

“ I am at a loss for words. Lenita and I just shared photos with each other of our now teenage children a few weeks ago. Lenita was always a bright light. I never knew her to be in a bad mood. She loved life and especially her son. We worked together for many years at LPB and I knew I could always pop by her desk to share a laugh or juicy water cooler gossip (shhhh...)! Lenita, you are sorely missed but I am certain you are in a better place. May God bless Chazz in the months and years to come. You leave behind a legacy.

“ To the family of the late Lenita Hunt...I am so sorry for your loss. I worked with Lenita at LPB in Lawrenceville. She also planned a Bahamas cruise for my family of 50 back in around 2005. Lenita was an awesome person and I'm sure she will be missed. My heart goes out to her son Chazz...he is so young to lose his mother. But we know God never gives us more than we can bear. I'm sure he's in great hands. Your family is in my prayers. 🙏🕊️❤️

“ *I was very saddened to hear about Lenitas' passing. I knew of her growing up but we were never able to connect as we were living in different states and were from different generations. Her mother Yvonne used to baby sit me. I was finally able to connect with her during Covid via Facebook when I joined the platform. We quickly began to learn one another and I became very fond of her. She would always send me funny or educational content. She will be dearly missed.*

“ I am at a loss for words. I just found out moments ago that my dear friend from college, Lenita, has transitioned to her final resting place. She and I attended Illinois Institute of Technology (IIT) together (I started in 1986 and she started in 1987) and we roomed across the hall from each other. Lenita had a contagious laugh and we would laugh and joke all the time, all while we were cooking in our rooms against the rules. I remember her sweet Mom and Aunt that would visit her; and they'd always stop by my room and say hello to me. Lenita and I still kept in touch since leaving college me here in Michigan and she in Georgia. She visited me and I visited her. When my Mom got sick in Georgia, she opened her home to me and my family while my Mom was hospitalized there. She was so kind. I was so happy when she became a Mom; she's gone too soon but I know she made the 13 years she had with her son to last a lifetime. She loved being a Mom. I don't know she was sick. She didn't tell me. I wish I had known as I would have had so much to say.

The last time we communicated, I wished her happy birthday and told her I loved her; she replied back with a “ditto.” I got on her about telling me “ditto” that we've been friends for way too long and that we mean more to each other for an “ditto” reply. She responded that I was right and that i was one of her longest friendships. I didn't know what she was going thought but I'm glad that I made it known to her that she was more to me than just a “ditto.”

I love you, Lenita! Rest on my dear friend. I will never forget you.

“ I am so sorry to hear of Lenita’s passing. She was such a special friend. I’m hardly ever at a loss for words, but I am. Darine and Chazz, you were the loves of her life. I’ve been happy to have introduced her to many of my family members through her travel business. May she rest with the Angels as she will be sorely missed.

“ I’m devastated by the news of her passing. Lenita and I became friends in the travel industry. I was brand new and she answered every question I had. Basically took me under her wing. She and I traveled to South Africa together and had the time of our lives! I saw her a couple of years ago at a tradeshow in Atlanta and always hoped we’d travel together again some day. She’s the kindest, most generous person I know. Unshakeable beliefs. I love this lady and it hurts to know she’s no longer here. Blessing to her family. Sending light and love for the loss of this beautiful soul.

“ Lenita was so sweet and such a blessing. She booked my cruise to the Bahamas in 2011. She was an amazing travel advisor and encourager.

For the family, friends, and for all who were near and dear to Lenita's heart, I will pray for supernatural divine comfort and peace live a river.

Lenita sleeps in heavenly peace. May her memory be a blessing.

“ Lenita taught me what alkalizing meant and got me the healthiest I'd ever been in my life. What a huge blessing she was to me with this life-changing mentorship. I still think of her and our days at LPB together often! I remember when we would go to lunch and she would peel the extra parts of tortilla off her burrito because we were trying to eat healthy. Praying for her family and especially her son. I am heartbroken to hear this news.

“ Lenita had the best laugh...it was infectious. When we'd reminisce about the Holiday party with the professional hypnotist, we'd laugh until we cried. The hypnotist had Lenita convinced that my husband, Bill, was Public Enemy No. 1 and she had to give him a piece of her mind without using any derogatory language. So here she was, with smoke coming out of her ears, so angry at poor Bill, and all she could do was call him a "Blankety Blank and a Blanking Blank Blank" for like 10 minutes!!! Chazz, your Mom was a great lady whose talents, humor and compassion will be sorely missed. Jenny & Bill Faulkinberry
