Evangelist Lenora Anna Dyce was born on April 16, 1961 in Bridgeton, New Jersey. She was raised in Long Island, New York but would later move her family to Georgia. She raised 5 wonderful children and in 2011, married her best friend.

"Ann" as she was affectionately called, loved all things God and family. She was an awesome, wife, daughter, mother, grandmother, sister, parishioner, and friend. She was always a pleasure to be around and will be truly be missed.

“ *Forever loved and forever gone...memories live within. Remembering when I first met you and most of the family at Leroy's 55th Surprised Birthday Celebration. You didn't know me nor I you, but you greeted and welcomed me with open arms and a warm heart.*

*I pray your journey was peaceful and that your family and friends find comfort and understanding that you are no longer in pain or suffering. As difficult as it us to let go of a loved one, it is inevitable and a process we all must endure.*

*Rest easy,  
Donna Marie*
