Weep Not For Me
Author Unknown

Weep not for me though I have gone
Into that gentle night
Grieve if you will, but not for long
Upon my soul's sweet fight

I am at peace, my soul's at rest
There is no need for tears
For with your love I was so blessed
For all those many years

There is no pain, I suffer not
The fear is now all gone
Put now these things out of your thoughts
In your memory I live on

Remember not my fight for breath
Remember not the strife
Please do not dwell upon my death
But celebrate my life

“ We never lose the people we love, even to death; because they continue to participate in every act, thought and decision we make. Their love leaves an imprint in our lives and memories forever.

Charlene when Leo's health began to deteriorate, you took care of him impeccably and when you couldn't you ensured that it was done. Annie and Monique you guys were awesome as his daughter and granddaughter and was always there to assist Charlene with Leo's magnificent care.

Leo was an amazing human being and always gave sound and solid advice, along with encouraging words. Leo we will miss you, but memories of you will always be in our hearts. Rest In Peace, until we meet again.

Leo touched, encouraged and impacted our live and we will cherish those memories as we continue our walk in this side of life. RIP and Sleep Well Sweet Prince!
